Application and approval – Single Course Provision

Non-government schools should provide their request for consideration to the Director, Rural and Pathways Education, Learning and Teaching Directorate, **not NSW School of Languages.**

The Director will consider if:

- policies or procedures have been followed
- the educational and/or welfare needs of the student can be met from within the home school
- there are other ways the home school can provide the subject requested (e.g. through a connected classroom arrangement)
- the distance education school is the most appropriate option.
