

NSW Education Standards Authority (NESA) course codes

Each year you will need to ensure that Year 10, 11 and 12 students studying with us are enrolled into the correct language course(s) with [NESA Schools Online](#). The person authorised at your school to complete NESA Confirmation of Entry can use the codes in the table below. Please be mindful of entries for year 10. If a Year 10 student has studied year 9 & 10 with us, the student is assigned the 200 hour course code. If a student is completing 100 hours with us and they have studied 100 hours of the target language in year 9, elsewhere, they are assigned the 200 hour course code. If a student has studied only 1 year of a language with us and at no other location in year 9, they will be assigned the 100 hour course code.
