About NSL

NSW School of Languages is a distance education Languages specialist school. We are part of a network of Department of Education schools that provide online Languages to students by distance education.

Subject to satisfying certain guidelines, students in NSW secondary and central schools may enrol to study a language course not available to them at their home school. Enrolment is available to Years 9-12 students from NSW public schools and other educational providers.

Learning is supported through a diverse program of engaging online courses, speaking lessons, and face-to-face lesson days at our campus in Petersham.

Face-to-face lesson days are held once per term and give students the opportunity to meet and learn with other students, whilst being immersed in the culture of the language of study.

Stage 5 YEARS 9 AND 10

Our dynamic and exciting French courses in Years 9 and 10 offer highly engaging learning experiences with effective and innovative activities.

Supported by our knowledgeable and passionate teachers, students work through activities on our eLearning platform and are encouraged to develop their communication skills and cultural understanding through engagement with French-speaking communities and French language media.

Our face-to-face lessons each term provide students with a unique opportunity to participate in and learn through a range of vibrant cultural activities including cooking and music.
