LANGUAGE!**

Our School

NSW School of Languages is a distance education language specialist school. We are part of a network of Department of Education schools that provide education to students by distance education.

Students in NSW secondary and central schools may enrol to study a language course not available to them at their home school.

Subject to satisfying the guidelines, enrolment is available for Years 9 - 12 students from NSW public schools and other educational providers.

Learning is supported through a diverse program of online courses, speaking lessons, video conferencing and email.

Each term study days are held at NSW School of Languages where students enjoy the opportunity to meet and learn with other students and staff.

Olá

Stage 5

Currently, there are no Stage 5 (Years 9 and 10) Portuguese courses available.

NSW School of Languages offers Stage 6 Continuers course for students in Years 11 and 12.

To enrol in our Stage 6 course, students must have studied 200+ hours of Portuguese and / or have a background in the language.

Stage 6

Portuguese at NSW School of Languages provides students with a unique opportunity to develop language skills and cultural awareness through in depth study of a range of relevant and engaging topics.

By exploring the themes of the individual, Portuguese speaking communities and the changing world, students are challenged to develop and demonstrate the knowledge, skills and understanding needed to express their ideas and opinions at increasingly complex levels.

Our face-to-face lessons each term include activities such as cooking, dancing and art-making, along with multimedia presentations and games designed to enhance student learning.
